- 1 Measure your Artwork and use the table above to establish a print price.
- 2 Enter the print price into the Price Calculator
- 3 Include additional border size information if required.
'0' = borderless
- 4 A 10% discount applies for 2 or more copies of the same print, up to a 25% discount for 6 or more copies of the same print.
- 5 The total includes relevant discounts but does not include postage
